

Summer 2009 Concerts

July 10th: Eddie Piper: Eddie never sang until he was "born again" at age 19. He began singing in his home church, and then invitations to sing came from other churches. Then while in meetings in Feb. 1975 at the United Methodist church in Canal Point, Florida, while gathered at a prayer meeting with 7 men, God made it definite that He wanted Eddie in full time ministry. On June 1, 1975 he left his job with Prudential Insurance Company. Since then, he has ministered all over the eastern US and Canada.

July 17th: Mark Bolos: This Contemporary Christian artist from New Hartford, NY is very versatile and is an amazing artist. Adults & children alike will enjoy his music of praise.

*****July 20:** The Doerfel Family: an amazing 12 member family band has been performing up and down the East coast full time for nearly three years now. When listening to them you would never guess that the average age of the band is 15 years old! If you like country, comedy, gospel, and bluegrass, interspersed with a touch of blues, jazz, swing, and classical, you will certainly enjoy this amazing, young talented band!

July 31st: Peter Eldred & friends: A group of friends coming together to seek a deeper place in worship, encouraging audience participation. They describe their music as an eclectic mix of African, Bluegrass, Messianic and Jazz style Worship mix.

August 7th: HEARTSONG Singers for Christ: Sometimes we just need people who come to visit who are upbeat, joyful, and encouraging. We need people who have the ability to motivate us to transformation. It's a gifting to uphold the weak, warn those who are unruly, comfort the fainthearted and show patience when everything may look like impending doom. That is the work of the EXHORTER of 1 Thessalonians 5: 14. The Greek translates the word exhorter as "helper, comforter, and counselor." Heartsong singers for Christ with Patti Dahl and Sherry Sarandrea are that kind of ministry. Their original music explodes with life changing messages that inspire people to achieve their full potential in Jesus Christ!

August 15: The John Martin Family is from Brooktondale, NY and minister to all ages through a combination of contemporary and southern gospel music. Also, they show us what World Vision is doing and how to get involved. Join us and let the joy of the LORD fill your heart.
