MORE INFORMATION TO FOLLOW

Starting January 1, 2009 our rates have increased. If you have made a deposit for the 2009 season, it will still hold your reservation. The increase will be seen on your balance due. We have put on the back of this newsletter the updated rates. We also will no longer be able to supply paper towels.

On January 10, 2009 we, along with the Board presented a plaque to Stuart and Ginny DeLand for their support and dedication to Shiloh for all these years of service. Stuart does all sorts of odd jobs, mows the lawns, keeps the tractor running, etc. and Ginny has washed all the sheets and baked. We appreciate them very much for their love for the LORD and for Shiloh. Thank you Stuart and Ginny, we love you both!

Coe's Column

God is so good all the time! We are thankful for His provision and blessing to us.

We had a wonderful Christmas. Alicia, Jessica and Ayumi are having a great time playing basketball for New Life Christian School. Although Ayumi did break her pinky during practice before Christmas, she has healed and is back to playing. She just wanted to see all she could in America, including the hospital. She told her mom it was because she didn't want to waste all the money the family was paying for the health insurance.

Jade has been busy studying to be a nurse.

Dave has been busy keeping everything running here and getting ready for the 2009 season.

We pray that God will bless all who attend Shiloh this summer.

In Christ Service,
 Dave & Brenda Coe
